LATROBE CREATIVE PRECINCT

As some of you may have noticed, work has started on our new 'Creative Precinct'. Scheduled for completion in 2020 the new facility will occupy ground to the north and east of the library/service centre and will include:

- A 750 seat theatre within a new performing arts centre;
- A multi-purpose Studio (a smaller, versatile space that can be configured into a variety of performance modes);
- Multipurpose/Meeting rooms;
- An indoor/outdoor café; and Outdoor event spaces.

Construction will take at least 12 months and there may be some disruption to our market. Hopefully it will be minor and the end result will be of great benefit to our community and our market space. Stay tuned for developments.

2019 Fridge Calendars

Our 2019 Fridge Calendars are still available and you can get them from the Lions BBQ area.

Carry bags (Eco-bags) are in very short supply and we are currently discussing our next move with these bags. We will let you know how we will move forward soon.

Advertisement in the LV Express Thursday 25th April 2019,

Two antennas met on a roof, fell in love,
and got married.
The ceremony wasn't much, but the
reception was excellent.

Two cannibals are eating a clown.
One says to the other: "Does this
taste funny to you?"

I hate it when I see an old person and realise we went to school together.
