WELCOME TO THE APRIL 2017 TRARALGON FARMERS' MARKET

We have a little bit of a problem with our vehicle parking. Please read the "Market Report" and feel free to discuss with Fred or Geoff today.

Ah! Autumn in Gippsland! Today there could be a shower or two, light winds with temperatures between 10°C and 21°C

Have a good day - Fred & the team

MARKET REPORT

Well Easter is now behind us all and we hope that you all had a great long weekend.

Last Market the Council took photo's of the cars parked on the grass. *We have been advised that this practice is to stop, or the offending cars will be fined.*

Fred and Geoff will be discussing this with you this market. Stall spaces are 4.5m and the average vehicle length is 5m to 6m so we really need you to re-think whether you need your vehicle on site.

Fred and Geoff will be meeting with the Council as soon as possible to discuss their concerns and how we can manage the site without doing any further damage, whilst also keeping emergency access within the Market Area.

If we can't solve this we will have to reduce the size of the market to fit vehicles in ... any volunteers?

HOUSEKEEPING AND SAFETY

NO WEIGHTS NO STALL - YOU WILL BE ASKED TO TAKE YOUR MARQUEE DOWN. No excuses accepted!

All gas appliances must be checked for leaks etc. before use. All electrical leads must have current tags on them.
