WELCOME TO THE AUGUST 2016 TRARALGON FARMERS' MARKET

Well! It finally happened. For the first time in nearly 10 years, and after having just about everything thrown at us on Friday & Saturday, our last market (July) was abandoned for safety reasons. We note a few brave souls decided to soldier on and we hope it was worthwhile and incident free. Hopefully all will be right from the September market onwards.

Today is supposed to be mostly sunny with the temperature struggling to 16°C. Good luck - Fred & Geoff

CHANGES ARE COMING TO THE MARKET

As we previously advised, we have to get off the grass as the traffic is killing both the trees and the grass.

As of the next market, Saturday 24/9/16, we will be closing off East Bound side of Kay St to traffic and we will be using the service centre (Northern) side for stall holders plus the small carpark off Kay Street. The other half of the market will be using the Fire track on the Church (Southern) side.

Since all stallholders will now be setting up on bitumen, you will need suitable weights that will secure your Gazabo in windy conditions. If you don't have them you cannot put it up, talk to Fred or Geoff.

All these changes are coming at a considerable cost to close of the road, signage etc. so stall fees will be raised by \$5 next month. Fred & Geoff will be discussing this and the lay out with you all during the course of the day.

ECO-BAGS

Our new supply of Eco-Bags has been ordered with only minor cosmetic changes.

We should receive them by the next market, but we will distribute them as soon as we can.

Thank you for your enthusiastic support .

STREATRADER

Have you registered with Streatrader ??

Who has to register? Anyone who sells anything that people eat or drink - whether raw, partly prepared or fully prepared and it includes live animals & plants.

Registration is easy; google Streatrader or:

see www.streatrader.health.vic.gov.au

So ... if this is you, you must register, otherwise you may not be able to trade at our market. We will be running checks over the next few markets - please have your certificate available.

Seymour Heritage Rail Centre X31 Locomotive Heritage Train Tour

Today the Seymour Heritage Rail Centre will arrive with a train, pulled by 50 year old locomotive X31.

The train will arrive in Traralgon around 12 Noon.

The Centre is advertising Traralgon Farmers Market extensively across it potential passengers.

Traralgon farmers market would like you to stay back a bit longer past 1 PM. Can you stay, please?.

Reminder - Safety First at the Market

Got gas cooking? Have you checked the equipment including hoses and valves lately?

Electrical? Are cords in good condition and have they been tested and tagged recently?

Next Market - Saturday, 24th September 2016, 8am to 1pm
