## WELCOME TO THE OCTOBER 2017 TRARALGON FARMERS' MARKET

Last month was a good market according to many stallholders. This month with warmer weather we should have a better one with 55 stalls offering a wide variety of goods.

Ahhh! Spring in Gippsland - today a 'chance' of showers and a possible thunderstorm in the evening about the ranges. Max temps around 26° with a light breeze.

Have a good day - Fred, Geoff & the team

### Stop Press :

Well, we were going to announce the opening of the new superloos, but that is not to be - next month we believe. We hope you can wait that long!

The new loos will be on an automatic timer opening at 6.30am and closing at 2pm on market days. Access is from the outside of the service centre.

Also the water tap has been re-instated. Many thanks to Latrobe City for these much needed improvements.

### CHRISTMAS MARKET 2017

Peter also plugs the Market on the local community radio program; thank you, Peter.

### STALL HOLDER PROFILE

Harry Hoo's Dim Sims

Dennis has decided to give up the market for the time being, citing distance and the long day and his age as the problem, not the Market. He went on to say that ours is a great Market and he hopes to get back one day.

So if you know of a good stallholder please speak to Fred..

Dear paranoid people who check behind shower curtains for murderers: If you find one, what's your plan?

I didn't make it to the gym today. That makes 1,500 days in a row.

It takes more calories to eat a piece of celery than the celery has in it to begin with.
