WELCOME TO THE AUGUST 2018 TRARALGON FARMERS' MARKET

Spring is only a week away and here's hoping for mild weather and some rain for Qld & NSW soon.

Today winds will be light, a little cloudy, with temps from 5° to 18°C.

Have a good day ... Fred, Geoff, Kevin & the team

COUNTRY OF ORIGIN - FOOD LABELLING

New laws come in force from 1 JULY 2018 regarding the new requirements for the labelling of food in Australia. We have already alerted most stall holders to the requirements, so you should all be across this new system.

Geoff or Fred has a copy of the Factsheet for you to read - just ask.

Car Bumper/Window Stickers

We have bumper stickers available for you to give out to your customers to help advertise the Market. Gippsland FM will also be handing them out during their live broadcast.

The intention is to promote the market and reward those who display the stickers. Fred will explain this on his rounds to those who missed the message last month.

MARKET SAFETY

As mentioned elsewhere, stall holders are NOT permitted to leave the market before 1pm. There is good reason for this and that is the safety of other stall holders and customers still wandering the market up to 1pm.

PLEASE, its not a big ask, so have a little patience no matter how good or bad your day was.

STREATRADER

More bureaucratic requirements on market management, but YOU need to know.

From our September market we are obliged to declare the names of all stallholders who are required to have a current Streatrader 7 days before the commencement of every market to Latrobe City Health Services team.

So ... make sure you are up to date before the event or make an application for the 4th Saturday of the month to August 2019.

HEALTH AND SAFETY REMINDERS
