MARKET NEWS

In a previous issue of this Newsletter we talked about making a change in the way we would like to collect stall fees going forward. Quite often we have late apologies (or no apology) for non-attendance which creates empty spaces and don't give us the chance to give some other potential stall holder a go.

We have considered moving to a payment in advance scenario in an effort to increase the incentive for people to attend and our intention is to start this from September 2019 which is the market anniversary date.

As we previously indicated, apologies to the market manager on 0409 232 715 at least 3 days prior to market day with a valid excuse will allow your pre-payment to be carried forward to the next market.

Non-attendance with no excuse will result in forfeit of the stall fee and the potential to have you invitation to attend withdrawn permanently.

Please feel free to discuss this proposition with Kevin or Geoff so that we can get a feel for the idea.
